The petitioners state that the Yetiraja Swamigalu is expected to arrive in Bangalore from his tour in N-India on Sunday the 3rd instant and request that he may be received in a befitting manner and that the first day's Bhiksha of the Swamigalu may be conducted at Govt. cost.

Re Intended visit of the Swamigalu of the Sri Yetturaj matt to the C.H.M. Station

From

The agent of the matt.

No. Dated 12th December 1905.

A 8 In his petn. addressed to the Dewan, the agent of the matt, represents that the Swamigalu of the Sri Yetturaj matt, who, after a long tour in N. India, is now in Bangalore city, has to proceed to the C.H.M. station where his disciples desire to take him. The agent requests that all marijadas befitting the status of the matt might be ordered to be shown on the occasion of the Swami's procession to and from the C.H.M. station.

File No. 123 of 05 | Muzrai Secretariat.

9 From the papers available, it will be observed that this matt is of some importance, being the chief matt of the Tengalai Sri Vaishnavas in Mysore with Head Quarters at Melkote. It appears that the matt has disciples in Rewah, Ajmere, Ayodhya, Prayag and other places in N. India.

10. The matt enjoys a ~~Govt~~ grant of Rs 144-12-0 per annum from the melkote temple. It also enjoys a monthly cash grant of Rs 9 from the Palace.

11. The succession of the present Swamiji to the Priestship of the matt has been recognized by Govt (vide Pro: No 1865-73 dy 16th March 90s a printed copy of which is put up). B

12. In February 1898, the agent of the matt petitioned the Hon'ble the Resident in Mysore praying for a passport to enable the Swamiji to pass with certain honors in N. India. Thereupon, the ~~the~~ Residency referred the pet'n to the Durbar

with a request that the agent might be informed that such communications should be addressed to the Durbar. Information was also requested as to who the Swami was ~~is~~ and as to what honors ~~are~~ were due to his position on receipt of which information it was promised that the Madras Govt. wd be asked to render the Swami all necessary aid

C 13. The agent was accordingly informed by the Durbar and a Pahadari was also granted permitting him to travel in Mysore with 2 Sweta Chatties, two Chamaras, 2 Silver maces 2 Suryapanas &c &c — With regard to the enquiry made of the Durbar by the Residency, the late Sir Sheshadri Iyer KCSI late Dewan, recorde

that 'no reply was required' as the 'Swami had already left.'

From the information obtained from the Palace it will be observed that during His Highness the Maharaja's marriage in 1900 and His Highness' Installation in 1902, this Matt was recognized. The Matt presented Khillats & the Palace honours were sent during such Khillats to the Palace.

Muzrai Secretary's Remarks:-

15. The question now for decision is what honours, if any, have to be shown to the Swamigalu of the Sri Ya tir ja Matt. It is clear that the Matt is the chief Matt of the Tengalai sect of Srivaishnavas and that it has a large following

of educational and influential gentlemen. No references have however been produced to show whether any honours were shown by Government to the Swami on his arrival in Bangalore on any former occasion. An attempt was made in 1898 to enquire into the matter but the subject was dropped as the Swamiralu had then left Bangalore.

16. Leaving out the Matts of Sringeri, and Uttaradi, which received special honours by way of salutes &c, I find that the smaller Matts of Siva ganga, Majjigehalli and Akshobyatheertha were during the past few years shown the distinction of being provided with an escort of 6 silledars on the occasion of their arrival in and departure from Bangalore and of their visits to the C & M Station of Bangalore. The 3 Matts named above are in the enjoyment of land endowments yielding annually Rs. 8000, 2000 and 3000 respectively from the State. The Yatiraja Matt now in question, however has no lands in the State but has

a small allowance of Rs. 15 per mensem from the Melkote temple and of Rs. 9 per mensem from the Palace at Mysore. Nor does it appear that it has any considerable fixed income of any kind in other Native States or in British India although it has the Raja of Rewah and perhaps one or two others as its disciples. It is this absence of large endowments that creates a doubt as to whether the honour of providing an escort of 6 silledars should be shown in the present case. If the property qualification is left out of consideration, I am of the humble opinion that the Matt deserves the honor shown to the Sivaganga and other Matts referred to above. If orders are passed on this point in favour of the Matt, I shall write the needful communications in the usual terms to the Chief Commandant for the escort and to the Residency for the necessary Police arrangements during the Swami's visit to

the Civil and Military Station.

17. It has also been the practice to give a sum of Rs. 75 to the Swami of the Sivaganga Matt for a day's Biksha and Rs. 50 to the Vaijji ebilli and Akshobhyatheertha Swamies. A sum of Rs.50/- may if approved, be given to the Sri Yatir j Swami whether the honour of the escort be allowed or not.

I cannot agree with the Survey in holding that the Swamy has to be honoured with an escort and grant of a days Rachisha. Leaving the three Matts named above enjoy the privilege

File No. 123 of 1905 | Muzrai Secretariat.

In my mind these cases are not analogous, in that the Thirty Hatta enjoy extensive land endowments, while the one in question has a small ground-rent of Rs 24 only (Rs 15 from the temple and Rs 9 from the palace). The latter cannot, therefore, be said to command the same amount of respect as the former.

24- On the application of the Agent in connection with the Swami's return to Melkote which is the Head Quarters of the Matt, the Deputy Commissioner of the Mysore District was written to on the 20th March 1906. He was requested to issue necessary instructions to the Amildars of the Taluks in his District through which the Swami passed, to give him the needful help and also to issue orders to the temple authorities at Melkote to show to the Swami the usual,honors in strict accordance with Mamul on the occasions of his arrival at Melkote and of his visit to the temples there. A copy of this communication was sent to the Deputy Commissioner of the Bangalore District with a request that needful orders might be issued to the Amildars of Taluks in his District through which the Swami proposed to pass.

25. A telegram dated the 24th March 1906 was received to the address of the Muzrai Secretary from Mr. Ranga Char, Agent of the Sri Parakalaswami Matt

the purport of which was that Sri Yetirajaswami was attempting to enter Melkote with certain objectionable honors contrary to Mamul. It was , under the late Dewan's orders, forwarded to the Deputy Commissioner of the Mysore District, for immediate orders being issued preventing a breach of peace.

Highness. Enquiry was also made when and by what - authority the honors referred to as previously conferred on the Matt were granted. Finally His Highness' instructions were communicated that the Govt. order should be held in abeyance pending the consideration of the whole question by His Highness; and that if orders in accordance with the Proceedings

had issued the necessary intimation that they were to be held in suspense might be communicated to all concerned.

27 A reply to the above was sent by Sir -- Krishnamurti in his D.O. No. 1688, dated the 28th March 1906 explaining that the Muzrai Secretary had been directed to intimate to the authorities concerned that the order of the 9th March 1906 should be held in suspense until further orders, but that as the Swami had left Bangalore there was practically nothing to be held in abeyance. It was further stated by Sir Krishnamurti that the principles referred to in the Govt. Pro. were not novel; that the question was not a schedule matter; that the honors in question had been previously sanctioned by the Dewan or by the Muzrai Secretary on their own authority and that in this case an order was issued under the rules of Business after the Councillor in charge and he (Dewan) agreed as to its suitability.

Orders were accordingly issued from the Muzrai Secretariat to D.Cs of Bangalore and Mysore and to the Chief Commandant ---Slip K

28. With reference to the above the Private --- Secretary to His Highness the Maharaja observed in - his D.O. No. 196, dated the 7th April 1906 to the -- address of the present Dewan Sahib that the precedents quoted according to which such questions had been -- disposed of by the Dewan or ~~by~~ the Muzrai Secretary, were bad precedents; that if there was one matter -- which was peculiarly the prerogative of the Ruler, it was the grant of honors of any description and that His Highness considered that the late Dewan would -- have acted with ordinary discretion in submitting the case for his orders irrespective of the Rules of Business. It was added that His Highness desired that the case might be taken up formally, the Matt being called upon to state its case and produce such evidence as might be available in support of its claims. It was stipulated that " this and any similar cases that may come up in future should be submitted to him (His Highness) for final orders" and that " they shall be treated as Council

cases".

29 A communication received to the address of His Highness from the Agent of the Yetiraja Matt was forwarded with the D.O. with the observation that it was clear from the File and the Agent's letter that the status of the Matt with reference to the grant of honors had never been clearly defined; that it was admitted that so late as 1898 the question as to the honors to which the Matt was entitled had not been settled and that under the circumstances the Matt could have no cause for complaint if honors were withheld until the matter had been properly examined and disposed of.

30 The above orders were accordingly communi-cated to the Agent of the Sri Yetiraja Matt and the Agent of the Sri Parakala Matt was also asked to produce documents in support of the Matt's contention against the other Matt.

33. The documents produced by the Agent of the Sri Yetiraja Matt are enumerated on page 12 of the printed petition presented by him which gives full details of the Matt. The chief points mentioned in the petition among other things are :-

(1) that the Matt was founded at Melkote by Sri Ramanujacharya in the 12th century and it was the -- only Sreevyashnava Matt in the Mysore State up to the year 1810 or so, when the Sri Parakala Matt came into existence;

(II) that during the Anniversary of Sri Ramanujacharya's birthday when the car procession of his ---

image takes place regularly every year. the image is taken immediatelv after the close of the procession. to the Sri Yetiraja Matt; and further that the worshipper of the above image in the temple has. as laid down in the temple Ayakattupatti to take Theertha and Prasada to the Yetiraja Matt daily, worship the Mula Vigraha thereand then serve teertha and Prasada to the Swami of the Matt;

(III) that the usual paraphernalia of all Matts, such as Swetachattries, Suryapanas, Chmaras, Silver maces, Makaratoranams, Palanquins &c have been used by this Matt from time immemorial, and that the Swamies of this Matt used an elephant, horses and palanquins during their tours in Northern India, in addition to the paraphernalia mentioned in the Rahadari of 1898 obtained from the Mysore Government;

(IV) that the former Swamies of the Matt remained stationery at Melkote. Hence no Sannad or Nirup regarding the honors to be shewn to the Swami

while touring was obtained from the former Rulers; but that as the disciples of the Matt increased in number in all parts of India, the Swamies of the -- Matt towards the latter part of the 19th century -- were obliged to leave Mysore territory and proceed to other places to impart instruction to their disciples there;

(V) that ~~the~~ Branches of this Matt exist in ---- several parts of Northern India, among which may be mentioned those at Rewah, Dwaraka, Ayodhya, Muttra and Cawnpore;

(VI) that the people of the Sri Parakala Matt -- have no ground for any complaint whatever and that it has been their habit to prefer similar complaints whenever there was an occasion to shew honors to -- other Matts or to respect the rights of others; but that such complaints were after enquiry invariably rejected as groundless; (these instances are detailed on page 4 of the printed petition);

Slip N

PB—3,000—22-6 06

File No. /23 of 190 5 | Muzrai Secretariat

(VII) that His Highness the late Maharaja Krishna Raja Wadiyar Bahadur III was pleased to issue a Nirup on the 1st January 1830 laying down that the Acharyas of both the sects should be honoured equally without any invidious distinction; and that the Parakala Matt -- cannot therefore claim an exclusive right to honors, which have been conferred by the State on several -- Matts both inside and outside the State;

(VIII) that the Yetiraja Matt at Melkote is the only one founded by Sri Ramanujacharya in the Mysore State and as such is entitled to all homors befitting the status and greatness of its Founder;

(IX) that the Matt enjoys distinctive honors out -side the Province as detailed in pages 5 and 6 of the printed petition in addition to the honors and privileges within the Mysore State, which are enumerated on page 7 of the petition.

and (X) that the Matt owns Rs. 20,000 in cash and a building at Melkote valued roughly at Rs. 15,000

and s in receipt of a monthly cash allowance of Rs. 15-1-0 from the temple at Melkote and Rs. 9/- from the Palace, in addition to Kanikes received from the disciples of the Matt.

(must be Rs. 12-1-0)

34. The petitioner prays that in the foregoing facts and circumstances the Govt. may be pleased to sanction for the Matt such honors as may be commensurate with the status of the Matt. He adds that " it is a well-known fact that in these days of Western civilization and enlightenment the humblest individual of the lowest grade in society has an undisputed right to possess and parade any kind of paraphernalia in the public -- streets on ceremonial occasions such as marriage processions &c provided there is no infringement of the Statutary Law".

Slip with his Kanarese letter No. 21, dated 13th August 1906.

35. The Agent of the Sri Parakalaswami Matt has submitted an English Memo stating that the Government -- order sanctioning Sri Yetirajaswami an escort of silledars and a set of bandsmen is prejudicial to the in-

interests of the Sri Parakalaswami. The grounds urged by this Agent are :-

(I) that the statement that Swetachattri and other marks of respect have already been granted to Yetirajaswami is unfounded in as much as there are no records to verify the same;

(II) that he is a minor Sannyasi without any permanent Matt and without any Tasdik from Govt. but residing in Melkote in a mantapam belonging to Govt and getting a small stipend of Rs. 12-1-0 from the temple funds;

(III) that he does not keep any equipments and enjoy any special privileges;

(IV) that he is not allowed to go to Melkote temple with such marks of respect as Swetachattri, Chamaras Silver maces, Soorepanas &c or pass before Sri Parakalaswami whenever he goes to Melkote; and that if he goes he will be insulting Sri Parakalaswami;

(V) that some minor marks of honor due to this

Swami are detailed in the Ayakatpatti preserved in the temple records and that he cannot therefore use and assume any new honors and special privileges which have been granted only to the 6 recognised institutions noted in the margin;

Sri Parakalaswami
" Ahobalaswami
" Uttaradeswami
" Sosale Swami
" Manchale Swami
" Totadri Matt.

(VI) that when in 1866 a Tengale Brahmin Guru of the stamp of Sri Yetirajaswami attempted to make use of unauthorized insignia in Melkote, a great affray took place and the Govt. issued orders to fine him -- should anything contrary to mamul take place;

(VII) that it was decided in 1881 that Sri Yatirajaswami was not entitled to any other privileges -- than those mentioned in the Ayakattupatti;

and (VIII) that he is not entitled to the escort of silledars and Bandsmen newly sanctioned to him.

36. The Agent therefore prays that orders may be passed directing that only the ordinary customary marks of respect mentioned in the Tasdik Patti may be shewn to Sri Yatirajaswami and that he may not assume and

GPB—3,000—22-6 06

parade himself with the objectionable honors and insignia above indicated.

37. The documents produced by this Agent bearing on the present question are marked with Slips , and the other documents are not relevant ones.

38 Besides the documents produced by the Yetiraja Matt as detailed in the foregoing paragraphs, the Matt has since produced a number of documents -- showing the antiquity and importance of the institution. One of them is the original Sannad granted by Maharaja Kanteerava Narasaraja Wodiyaravaru in the year Vizaya in which it is said that Yetiraja Matt was in sole charge of the Sri Narayanaswami temple at Melkote receiving Agra Mariyades or first honors --- therein and managing all the inam lands &c endowed to the temple and that instructions of that Matt should be obtained in all matters connected with the temple. It is also mentioned ~~in said matters~~ that when the Yetirajaswami goes to Melkote the Sri Satakopa from the temple should be taken ~~only~~ up to the bottom of

Slip P.

the Hill and that when other Swamis visit Melkote the Sri Satakopa should be taken only up to the Balipeeta in front of the Gopura Bagal or main entrance of the temple.

39. Another ~~The other~~ is the original Sannad granted by the late Maharaja Krishnaraja Wodeyar Bahadur III on the 1st August 1831 in which it is directed that when the Sri Parakalaswami visits the temple personally the first honors should be shewn to him and next to the Sri Yetirajaswami and that the latter should receive the first honors during the former's absence and not his agent.

40. There is also another original Sannad granted by the same Maharaja on the 18th May 1831 directing the disbursement of 5 seers of rice with condiments daily to the Yetiraja ~~mantap~~ matt from the temple.

41. Inscriptions have also been recently discovered on the walls of the Melkote temple which are dated Saka 1466 corresponding to A.D. 1542 in both of

File No. 123 of 1905 | Muzrai Secretariat.

which the then presiding Swami of the Yetiraja Matt is stated to be ' Vedanti Ramanuja Jeeyer' and certain grants are said to have been made in those days to the Yetiraja Matt by the then Ruler, Sadasiva Roya of Vizayanagara.

42. From the extracts from the Records in the Melkote temple which I obtained personally after examination, it will be found that in 1881 it was ordered that the Yetiraja Matt should be treated next in importance to the Parakala, Ahobala, Thothadri, Uttaradi, Vyasaroya and Rghavendraswami Matts in the matter of Mariyades to be shewn to those Matts.

43 In 1876 when a new Swami succeeded to the Yatiraja Matt the following honors appear to have been shewn on the occasion from the temple.

44 In the Ayakattupatti of 1852 it is directed that when the Yatirajaswami goes to the temple, Theertha, Tirumale Sri Satakopa should be given in all the Sannidhies and that daily after worship is performed ~~in~~ Ramanujacharya in the temple that the Archak should proceed to the Yatiraja Matt opposite the temple and perform worship to the Yatiraja idol there and give Theertha and Male to the - Swami if in the station.

45 There is no doubt from the documentary evidence referred to above that the Yatiraja Matt is an institution of great antiquity and has been for many centuries past intimately connected with the temple at Melkote. That Matt appears to have got the entire management of the temple and its endowments until the rise in power and influence of the Parakala Matt

in the earlier part of the 19th century. Since that date the Yatiraja Matt appears to have fallen into the background and to have been simply restricted to certain honors and daily allowances, from the temple. The Gurus are stated to have led a life of quiet seclusion and not to have taken active part in public affairs and to have lost the great influence which once they appear to have exercised. During the latter part of the last century the Swamies of this Matt appear to have gone away to Northern India and to have lost touch with this Province. Thus it is that we find them in poor circumstances and with -out any travelling honours.&c. The temple honors and allowances have remained however in tact and are being allowed to the Swami.

46. A former Swami of this Matt having applied for the grant of a Rahadari to enable him to proceed to Northern India, a Rahadari was granted in 1898 under the signature of the late Muzrai Superintendent and Secretary Rai Bahadur Mr. A. Sreenivasacharlu,

upon certain papers produced by the Matt, permitting the Swami to be allowed to pass unmolested with Sweta Chattries, Chamaras, Suryapanas, Silver maces, peons and attendants. These insignia were ~~issued~~ used by the -- Swami when he returned from Northern India early in 1906 (vide Letter from the Deputy Commissioner of Kolar No, 4217/283 Dated 18th November 1905)

47. When the Swami was in Bangalore a special escort of 6 silledars and a set of Bandsman were --- given under the orders of the late Dewan on the occasion of his proceeding to the C& M station and subsequent departure from Bangalore to Melkote, within the Municipal limits.

48. The giving of this special escort was based upon the precedents of similar escort allowed to the Sivaganga, Majjigehalli and Akshobhya Theertha ---- Swamies on the occasion of their visits to Bangalore.

49 The Parakala Matt says that the Yetiraja -- Swami is not entitled to any kind of honors, that he

is a minor Sanyasi, that he will be insulting the Parakalaswami if he goes to Melkote with the insignia mentioned in the Rahadari of 1898 and that he would be wounding the feelings of the majority of Brahmins at Melkote and create a ~~disturbance of the~~ breach of the peace and that therefore he should not be permitted to parade with the objectionable honors.

50 The documents produced by the Parakala matt are:-

(1) A sannad dated 17th September 1816 granted by H. H. the late Maharaja Krishnaraja Wodeyar Bahadur III which relates to some dispute between Tengales and Vadagales in Melkote temple and is not relevant to the present case. (2) Another is a sannad granted by the same Maharaja on the 17th November 1817 which directs that the Sri Parakalaswami should be consulted in all matters connected with the Melkote temple and worship and Utsavas &c conducted according to his instructions. (3) Another sannad dated 11th April 1818, in which it is directed that certain temple servants

who disobeyed the orders of the Sri Parakalaswami -- should be dismissed from the service. (4) Another is an order issued by the Amildar of the late Athikuppa Taluk on the 25th June 1881, in which it is stated that the Yetiraja Matt should be considered as a --- minor matt next in importance to the 6 Matts detailed in the foregoing paragraphs of this Note. (5) Another is an extract from the Ayakattupatti of the Melkote temple dated 10th July 1851, detailing the honors to be --- shewn to the Yetiraja Matt in the temple which has already been referred to above.

5/ The other documents produced by the Matt relate to an affray of certain Tengale Brahmins which took place in 1866 in connection with one Alagiya -- Manavala Jeer, a Tengale Swami of Conjeevaram having gone in procession before the deity with two white umbrellas and the then District Magistrate Hassan - Col: H. G. Thomson punished one Akkarakkanni Narasimhachar and two others each with imprisonment for one

GPB -3,000—22-6 06

one year and a fine of Rs. 500/-. The Yetiraja Matt was not concerned in this affray.

52. It will thus be seen that none of the -- papers produced by the Sri Parakala Matt is pertinent to the question now under consideration. The Parakala Matt now say that if any honors are now granted to the Yatiraja Matt, it will be an indignity to them, (i,e. the Parakala Matt). There is no reason why it should be so. The Parakala Matt has very high privileges and honors and it seems very illiberal on their part to grudge the grant of honors of an ordinary nature to the smaller Matt of Yetiraja. The fear of the breach of the peace apprehended by the Parakala Matt has no foundation and even if there should be such the local Magistracy and the Police may be -- trusted to prevent it.

53 Briefly, the Yetiraja Matt case as it appears from the papers before Govt. is as follows:-

54 It appears that the said Matt was established

Muzrai Secretariat. | File No. 123 of 1905

personally by Sri Ramanujacharya himself about the 12th century, that it had the entire management of the temple at Melkote and of all its endowments, that it had also lands and other endowments for its own support granted by former Rajas of Mysore. It appears to have lost its influence on the advent of the Parakala Matt in the earlier part of the 19th century and to have remained in the back ground. As the Swamies of the Matt simply confined themselves to their religious occupations and did not go out on tour, they had no opportunities of obtaining Rahadaris for travelling purposes. Some of the documents produced by the Matt show that the Matt had at one time a large establishment and retinue including an elephant and horses. Special honors and privileges were shewn to the Swamies of this Matt from the temple and these honors which are enumerated in the Ayakattupatti and other records of the temple are shewn to the Swami of the Matt even at the present day and are not

objected to by the opposite Parakala Matt. The fact that the Yetiraja Matt building is situated right opposite to and in close proximity to the temple and the practice which even now obtains of the archak of the Sri Ramanujacharya's Sannidhi in the temple going every day to the Yetiraja Matt and offering flower garlands &c to the idol of Yetiraja and then to the Guru of the Matt (if in station) and also the fact that the Matt was being given a daily allowance from the temple for its support which allowance has in recent years been converted into a cash allowance, all go to shew the esteem in which the Matt has been held for a long time past. The honors due from the temple to this Matt being undoubted and unopposed, the only question now is what honors should be allowed to it while the Swami travels out. As shown above the Matt has no Rahadaris of old date It applied to the Deputy Commissioner, Hassan, in 1880 for a Rahadari, but before final orders were

obtained on the application the Swami went away to Northern India. Again in 1898, it applied to the -- Govt for a similar document and a Rahadari was given by Govt. under the signature of Mr. A Sreenivasacharlu, Muzrai Secretary. Very few paraphernalia and those of a very ordinary description were granted by that Rahadari, and the Swami was using them until prohibited temporarily last year pending the settlement of the honors due. The Swami has produced ---- papers showing the high honors allowed to him in other native States in India, but they need not be taken as a guide in deciding what should be allowed in Mysore. Considering all the circumstances above mentioned, and chiefly the antiquity of the Matt, I am of the humble opinion that the paraphernalia allowed in the Rahadari of 1898 may be now confirmed to this ancient Matt. The use of a Palki and a Mena may also be ~~allowed~~ added because they are necessary for Gurus of Matts and their omission in the former ---

Rahadari was only due to the fact that the use of them was always implied without their being specially mentioned. The objection taken by the Parakala Matt does not as explained in the preceeding paragraphs appear to be reasonable.

55. The next point for consideration relates to the escort of 6 silledars and the use of bandsmen from the Military Department on the occasion of the Yetiraja Matt Swami's visit to Bangalore last year. These were allowed to the Matt Swami by the late -- Dewan after consultation with the late Councillors Mr. Sreenivasiengar and Rao Bahadur Mr. Madiah (vide pages 14 / 15 of this Note). The grant of such escort appears to have been of a comparatively recent date. It is found from the records that on the occasion of the visit of the Guru of the Sivaganga Matt to Bangalore in 1897, such an escort was sanctioned under the signature of Mr. Sreenivasacharlu who must undoubtedly have obtained the previous sanction of

W in linked file

the late Dewan Sir K. Sheshadri Iyer. There are no papers showing the reasons for the grant, but it is probable that it was given on the analogy of the -- larger escorts allowed formerly to the Sringeri and the Uttaradi Matts in previous years. Subsequently in 1904, the Swami of the Majjigehalli Matt of Mulbagal was, on arrival in Bangalore, given the same escort of 6 silledars under the orders of the late -- Dewan Sir P. N. Krishnamurti upon the precedent of the grant made to the Sivaganga Matt in 1897. Later on, in 1902, the Akshobhya Theertha Swami of Kudli in the Shimoga District was given similar honor of 6 silledars and lastly in 1906, the Yetirajaswami now in question was given the same honors when he proceeded to the C. & M. station. In none of these cases were the orders of H. H. the Maharaja taken as it was not the practice to do so. The orders now received from H. H. the Maharaja that the grant of any honors should receive His Highness' sanction will be duly attended to.

56 As pointed out above, the grant of an es-cort of silledars is only of recent origin and is not borne out by any old sannads or by mamul. As the visits of the Swamies of ordinary Matts to Bangalore are likely to increase, causing inconvenience to the Military Department, it is a matter for considera-tion why such ~~points~~ grants should not be stopped in future. None of the Matts named above, has been given any general authority to ~~see~~ use such escorts, but the Mili-tary authorities are told byGovt. on each occasion of such visit to send an escort of silledars and bandsmen. This practice may perhaps be discontinued in future.

57. The cases of the Sringeri and the Uttaradi Matts which were given special honors of large es-corts of cavalry and infantry and also of a salute of guns need not be taken into consideration in con-nection with the present question. There are a few other important Matts such as the Ahobala, the Vyasaroya, the Parakalaswami and the Raghavendraswami

regarding whom, question may arise when they -- come to Bangalore and each case may be disposed of on its own merits when the question arises. What is pointed out in the preceding paragraph is that the grant of honors of 6 silledars which has been made to Matts of ordinary middle class status and which practice has been gradually gain -ing ground is likely to be applied for in a --- large number of cases and cause inconvenience.

58. Another practice which is gaining --- ground is that of giving a certain amount to each Swami who visits Bangalore on account of the --- first day's Bhiksha. The Sringeri Swami is given Rs. 300/-, the Uttaradiswami Rs. 150/- the Siva- gangaswami Rs. 75/- and the Majjigehalli. Aksho- bhya/Theertha and Yetiraja Rs. 50/- each. These sums are supposed to show the hospitality of the Govt, in welcoming such visitors. These payments are becom -ing frequent and it is a question whether they may not be dispensed with. If it is considered -

desirable to continue such payments, orders may be issued that the cost may be defrayed from the Budget Provision intended for the entertainment of distinguished guests.

59. In the Private Secretary's D. O. dated 7th April 1906 it is stated that this and similar cases should be treated as Council Cases and submitted to H. H. the Maharaja.

Secretary's Note reference is made to certain orders of 1881 fixing the position of the Sri Yethi Raja Mutt in matters of precedence relatively to certain other Mutts and stating that it comes only after the 6 * Mutts there named. The paper in the file containing these orders of 1881 is only an extract from the Temple Registers of an order issued by the Attikuppa Taluk Amildar to the Temple authorities. But the order of the Dy Commissioner and probably those of the Chief Commissioner of the day on which apparently the Amildar's order is based are not in the file. It is therefore not possible to say whether these latter papers will throw any light on the "Travelling Honours" which alone are now in question. I presume however that they would throw no such light and that they would be confined, as the Amildar's order is confined, to the Temple respects which should be shown to the Sri Yeti Raja Swamy when he is at Melkote or visits the temple there.

3. In the said Amildar's order, reference is made to the Temple Ayakut patty of 1851 and it is stated that the Sri Yeti Raja Swamy is entitled only to the respects therein prescribed for "minor Mutts" other than the 6 principal mutts above named. Only an extract of the Ayacutpatty of 1851 (1852?) is among the papers, and it relates to the Temple respects to be shown to the Sri Yeti Raja Swamy. I presume that the entire Ayacut patty will show only the Temple respects to be shown to and the fees to be received from the several Swamies therein provided for and that it has nothing to do with the insignias which the Swamies will parade when proceeding in public procession through the streets.

4. Under the presumptions mentioned in the last two preceding paragraphs, I do not call for further papers but proceed to deal with the file as it is.

5. The case is fully discussed in the Muzrai Secretary's Note and summarized in paras 54 Et Seq and therefore I need say very little in support of

MGCPB—2,500—1-8-05

Muzrai Secretariat. | File No. 123 of 1905

the view that I take which is very much in agreement with that recorded by the Muzrai Secretary.

6. It seems to me that the position taken up by the Sri ~~Yeti~~ Parakala Swami Raja Mutt is untenable. To put it briefly, the status of the Sri Parakala-Swamy will not be affected by any respects which may be shown to any one else unless the former and the latter come together in which case alone can any question of precedence arise. Precedence in favour of Sri Parakala Swamy is undoubted and undisputed.

7. The English Memorandum stating Sri parakala Swamy's case seems to have been recklessly drawn up. For example, at para 4, it is stated of the Sri Yeti Raja Swamy that 'for several years past he is residing in Melkote in a mantapam belonging to Govt'. This is not true.

8. Insignia such as the Sweta-Chattari, Chamara, Silver mace, Surya-pana, Palki and Mena are invariably used by Sanyasis who are gurus of Mutts

File No. 123 of 190 5 | Muzrai Secretariat.

of all sections of Brahmins and also of Lingayets, and there is no reason why their use by the Sri Yeti Raja Swamy should be offensive to the Sri Parakala Swamy. In regard to them therefore, the Muzrai Secretary's proposal at para 54 may be approved.

9. As regards escort of Silledars and use of (Government) Bandsmen (para 55 of the Muzrai Secretary's Note), it may be ruled that as the Sri Yeti Raja Swamy has not been given these in the past, Government cannot create an innovation now, and bind themselves to provide the same.

10. As regards the allowance for the first day's Biksha (para 58). This is a courtesy which private individuals also who are deciples of a Swamy always show to him. It is a respect often-times shown also by persons who are not deciples. Such a courtesy, the Muzrai Department may show to the Sri Yeti Raja Swamy who is held in high veneration by a section of His Highness' subjects. It is due only when the Swamy visits the Capital viz Bangalore- the Of-

Although the question is one concerning the grant of honours to a particular matt, it is in reality the old dispute between Vadagalais & Tengalais in a new form. The Sri Parakala matt represents the Vadagalay & Sri Etheraja matt the Tengalay. This broad fact has to be borne in mind if we are to appraise at its true value the objections brought forward by the Sri Parakala matt to the grant of honours to the Sri Etheraja matt at Melkota.

Another important fact is that the Etheraja matt is the only matt established in the Mysore Province

under the management of the Swamis of the Ettiraja Matt.

In the same way as the Vadagalais look up to the Parakala matt, the Tengalais look up to the Ettiraja matt.

I am of the humble opinion that the insignia allowed in the Rahadari of 1898 may now be confirmed together with the use of a Palki & a Mena which are necessary adjuncts of processions & travelling paraphernalia. The grant of these honors will in no way detract from the high honors enjoyed by the Sri Parakala Matt which has immemorial

precedence in the matter of marqadas & honors.

The escort of Silledars & bandsmen is an innovation of recent origin and might be discontinued I venture to think that such a military display is quite unnecessary in the case of those Matts. which do not already enjoy this distinction.

As regards the first day's Bhiksha, it is only in Banaglore that such an honour is shown to important Matts. In Mysore City, this honour is shown by the Palace

I quite sympathize with the Murree Secretary in his wish to curtail the expenses on this account. The grants may be limited to the matts mentioned in para 58 of the Murree Secretary's memo. The duty of offering the first hospitality to the Head of a matt devolves naturally on his disciples and should not be made a Government affair. Such calls are likely to become very frequent, considering how great an honour it is attached to the post of receiving public visits from the State

As regards the first day's Diksha, the Muzrai Secretary says that such payments are becoming frequent and that it is a matter for consideration whether it is desirable to continue them. Both the Councillors are however in favour of this being continued in the case of the Vethiraj Mutt.

I agree in the opinions expressed by the Councillors and submit the matter for His Highness' orders.

There is nothing in the papers produced by the Parakal Mutt, or in the arguments advanced by them, to show that the Vethiraj Mutt is not entitled to the consideration now recommended on their behalf.

My dear Sir Krishna Murti,

His Highness has perused with some surprise a paper which has been placed in his hands purporting to be a copy of proceedings in the Huzurai dept, no 3793-4 dated Bangalore the 9th March 1906.

2. In para 3 of the order certain principles are laid down as being those on which the grant of honours to Mutts should depend. Secondly a reference is made to certain honours said to have been already granted to the Vellala Mutt and later in the same para: certain further honours are granted.

3. His Highness is unable to understand proceedings under which principles to guide the grant of honours and actual honours themselves have been sanctioned without reference to him and he desires that an explanation may be furnished to him without delay. I am also directed to enquire when and by whom the honours referred to as already granted were

Secondly I am to communicate His Highness' instructions that the order be held in abeyance pending the consideration of the whole question by His Highness and that if orders in accordance with the proceedings have issued, the necessary intimation that they are to be held in suspense may be communicated to all concerned.

To

The Private Secretary to

His Highness the Maharaja of Mysore.

Honoured Sir,

In continuation of the telegrams submitted on 30th March and 1st April 1906, I the undersigned, Agent of Sri-- Yatiraja Matt, respectfully beg to bring the following facts and circumstances for the favourable consideration of His - Highness the Maharaja of Mysore.

In the year 1020 Saka (corresponding to 1098 A D.) when the Hoysala king Vishnuvardhana was ruling at Halebid, the great reformer Sri Ramanujacharya came from Srirangam to the Hoysala kingdom and visited Yadavapuri or Tondanore, -- passing through Tirukanambi and Saligrama on the way. Here the ruling king Vishnuvardhana became his disciple and with his aid Sri Ramanujacharya discovered the Vimana of Sri --- Narayanaswamy, which was hidden in a dense forest, and after clearing the jungle, built the temple of Narayanaswami out of a lac of pagodas contributed by Vishnuvardhana Raya and consecrated the utsava deity Sri Cheluvaraya Swami brought by him from Delhi. To manage the lands &c endowed by the -- Rajas for the temple service and to promote faith and devotion by disseminating religious knowledge among the people, he also built a *monastery or matt* where he himself remained for 12 years, giving instruction to his disciples; and brought the affairs of the temple to a perfected system as recorded in his ' Niyamanapnadi ' (pp 12-15)

[Vide also Extracts already filed - (1) Prapannâmrutâ – p 139 Tel Edn (2) Guruparampara prabhâvam – p 193 (3) Palamedai vil kk ... / 31]

About the year 1032 saka he returned to Srirangam appointing one of his disciples as the Swami of the Matt with the appellation ಕ್ಷೇತ್ರಕ್ಕೆ ಮತ್ತು ಗ್ರಾಮಕ್ಕೆ ತಿರುಮಾಲೈಯನ್ ಜೀಯರ್ —— (i,e,the sole Director and Guardian of the Temple and the - village) and further enjoined that the Swamis of the Matt in regular succession should continue to exercise authority over the temple and its property and enjoy the special --- rights and privileges and honours which appertained to him. Thence-forward the Matt came to be known as Sri Yateraj Matt in honour of its founder Ramanujacharya, who is well known as 'Yateraja' (vide-Prapannâmrutâ-p 37.)and also the Swamis of the Matt came to be known as Ramanuja Jeeyars, alternately distinguished by the prefixes Narayana and Sampatkumara, names of the two principal deities of the temple.

Agreeably to the injunctions of Sri Ramanujacharya,the Matt exercised its rights and privileges (ಕ್ಷೇತ್ರಕ್ಕೆ, ಮತ್ತು) and received the special honours attaching thereto for several centuries. During this period the prestige of the Matt steadily rose and various endowments in the shape of villages were made from time to time by Rajas and ministers on behalf of the temple, which came under the control of the -- Swami as the custodian of the temple property. (Vide inscriptions, Sreerangapatam 89, Mysore Volume:&c.).

Towards the latter part of the 17th century, the temple property having grown very unwieldy, the Swami in consultation with his disciple Tirumalaiengarya, the then minister of the State, made over all the temple property to His Highness Sri Chikka Devaraja Wodayar (1672-1704), who was a --- staunch devotee of the temple. This period marks the initiation of money Tasdik for the temple, under State control, in place of the original landed property. In as much as -- the Matt and temple were not then regarded as separate establishments, no differentiation of the Mutt property was made at the time; and the ruling chiefs continued to treat

the Matt with due honours as before, till the subversion of the Hindu Rule by Tippu Sultan. After the confusion and disorder of Tippu's reign subsided, His Highness the late - Sri Krishna Raja Wodayar Bahadur in the beginning of the 19th centuary graciously proposed to endow the Matt liberally,-- but the Swami being a virakta (full of renunciation) de-- clined the offer; and therefore at the suggestion of his -- disciple Josya Singalacharya, an annual sum of 300 pagodas was granted to a Sanyasi connected with this Matt(vide --- Muzrai records of Seringapatam Taluk Cutcherry). It may also be noted here that the Mysore Parakala Matt is indebted to the said Josya Singalacharya for the liberal grants it now enjoys from the Muzrai and Palace departments(vide the late Maharaja Sri KrishnaRaja Wodayar's sannad concerned).

It is thus evident that the Yatiraja Matt is the oldest Srivishnava Matt in the Mysore Province, that its founder is no other than the great Sri Ramanujacharya, who is the -- sole preceptor of all the SriVishnava Matts including the - Parakala Matt , and whose name the Gurus of this Yatiraja Matt bear even to this present day, and that the manage--- ment of the temple of Narayana Swami and its property vested solely in them till about the end of the 17th centuary ---- (vide Inscr. Sr. 89. 11-46-48). Branches of this Matt are found all over India and the Matt counts thousands of disciples in the Mysore State, in the Madras Presidency, in the States of Rewah, Hydrabad, Vizianagaram ,in Behar, Tchari, Oudh, Dwaraka, in Bengal, &c.

Whenever the Swami visits Rewah and Vizianagaram the Maharajas of those States send their Royal insignias, body -- guard &c, in advance to meet the Swami and receive him at their Capitals with due honours; they also present him with one thousand rupees in cash together with Killets. The Branch Matt at Rewah receives a monthly grant of Rs. 330/- from the Maharaja for the daily nivedana and samaradhana. At Hydera- bad, Tchari and other places also, presents to the value of

Rs. 500/- have been received from the respective States. All these go to prove the high esteem in which the Matt is held everywhere.

His Highness the late Sri Chamarajendra Wodayar Bahadur paid a visit to the Matt on the occasion of his pilgrimage to Melkote in the year *1891* and accepted the khillat presented by the Swami. Khillats were also presented by the Matt to His Highness the present Maharaja Krishna Raja Wodayar Bahadur on the occasions of His Highness' marriage and installation together with printed Sri Mukhas conveying the -- Swami's blessings. [similar to the one enclosed.]

His Holiness the late Sri Yateraja Swami had to proceed to Rewah in 1898 at the special request of His Highness the Maharaja of Rewah; and on the application of the Agent of the Matt, the question as to what honours the Swami was entitled to, first came before the Government, but before final orders could be passed, the Swami had left the Mysore State, as he was in a hurry to reach Rewah.

The present Swami who has since succeeded to the Matt has just returned from his tour in North India, and renewed the application to the Government. The Government were pleased to sanction in Proceedings No. 3793-4/ Muz. dated ----- Bangalore 9th March 1906, honours to the Swami similar to those sanctioned for Sri Sivaganga and other Matts.

Accordingly His Holiness proceeded from Bangalore to the C and M Station and thence through the Petta to Kengeri Road under sanctioned escort and with the usual insignias and -- Birudus, on his way to Melkote. At each stage of the ---- journey, due honours were shewn to the Swami as far as ----- Mandaya; and as he was about to go to Seringapatam, a copy of Government Proceedings, directing that the original order be held in suspense until further orders, was handed to the Agent of the Matt. The Swami had therefore to stop further

journey. Owing to this sudden withdrawal of honours which has been a great shock to the Swami in his extreme old age of nearly 80 years-, the Swami feels sorely aggrieved and dishonoured and thousands of his disciples all over India, feel very much pained at this unhappy incident which is --- highly detrimental to the prestige of the Matt.

From the communication of the Assistant Commissioner of French Rocks Sub Dn. No. 341 dated 28 · 3 · 06, it would appear that the suspending order emanated on the complaint of the Parakala Matt people. They have mis-- represented to the authorities that a disturbance similar to what occurred in 1866 would take place in the event of Sri Yatiraja Swami being permitted to proceed to Melkote with white umbrellas &c. This is apparently a threat to cause a breach of the peace, which deserved the serious no- tice of the authorities. The disturbance of 1866 has no- thing whatever to do with the Yatiraja Matt. The white umbrellas &c are being enjoyed by the Swami of this Matt from time immemorial, as is clear from the Rahadari dated 15th February 1898, granted during the administration of the late Sir Seshadri Iyer. We respectfully beg to submit therefore that the Parakala Matt people have no ground for any com- plaint whatever. The honours sanctioned for Sri Yatiraja Swami, do not in the least affect those enjoyed by Sri Para- kala Swami, any more than they affect those of Sri Sringeri Swami, Sri Ahobila Swami, Sri Vyasaraya Swami, Sri Sivaganga Swami &c., It has been the practice of the people of the Parakala Matt to prefer similar complaints whenever there was an occasion to show honours to other Matts &c; but such -- complaints were invariably rejected by the authorities con- cerned.*

Under these circumstances, we respectfully venture to submit that the present complaint is altogether groundless.

In conclusion I most respectfully pray that, consider- ing the remote antiquity and past traditions of the Matt. --

Honoured Sir,

Śrī-Yatirāja-Swāmi Matt at Melkote is the oldest Śrīvaishnava matt in the Province, having been established by the Reformer, Śrī-Rāmānujāchārya, in the early part of the Eleventh Century. [Vide:- (1) Prapannamrita - p. 139 (2) Guru-parampara-prabhāvam - p. 193 etc. (3) Palandaivilakkam - p 31 (4) Guruparamparā pp 12-15]

2. His Holiness the late Śrī-Yatirāja Swāmi had to proceed to Rewa in 1898 at the special request of H.H. the Maharaja of Rewa; and on the application of the Agent of the Matt, the question as to what honours the Swāmi was entitled to, first came before the Government, but before final orders could be passed, the Swāmi (i.e.)

left the Mysore State, as he was in a hurry to reach Rewa.

3. The present Swami who has since succeeded to the Matt, has just returned from his tour in North India and renewed the application to the Government. The Government were pleased to sanction in Proceedings No: 3793-4, dated Bangalore, 9th March 1906, honours to the Swami similar to those sanctioned for Sri Sivaganga and other Matts.

4. Accordingly, His Holiness proceeded from Bangalore to the C & M Station, and thence through the Petta to Kingeri Road under sanctioned escort and with the usual Insignias and Birudus, on his way to Melkote. At each stage of the journey, due honours were shewn to the Swami as far as Mandya; and as he was about to go to Seringapatam, a copy of

of Govt Proceedings directing that the original order be held in suspense until further orders, was handed to the Agent of the Matt. The Swami had therefore to stop further journey. Owing to this sudden withdrawal of honours,—which has been a great shock to the Swami in his extreme old age of nearly eighty years—the Swami feels sorely aggrieved and dishonoured; and thousands of his disciples all over India feel very much pained at this unhappy incident, which is highly detrimental to the prestige of the Matt.

5. From the annexed Communication of the Assistant Commissioner of French Rocks, it would appear that the suspending order emanated on the complaint of the Parakâla Matt people. They have misrepresented to the authorities that a disturbance similar to what occurred in 1800, would take place

in the event of Sri Yatiraja Swami being permitted to proceed to Melkote with white umbrellas etc. This is apparently a threat to cause a breach of the peace, which deserved the serious notice of the authorities. The disturbance of 1866 has nothing whatever to do with the Yatiraja Matt. The white umbrellas etc are being enjoyed by the Swami from time immemorial, as is clear from the Rahadari dated 15 th Feby 1898, granted during the administration of the late Sir Seshadri Iyer. (Copy annexed) We respectfully beg to submit, therefore, that the Parakāla Matt people have no ground for any complaint whatever. The honours sanctioned for Sri Yatirāja Swami, do not in the least affect those enjoyed by Sri Parakāla Swami, any more than they affect those of Sri Sringeri Swami, Sri Ahobila Swami, Sri Vyasaraya Swami, Sri Sivaganga Swami etc. It has been the practice of the people of

the Parakāla Matt to prefer similar complaints whenever there was an occasion to shew honours to other Matts etc; but such complaints were invariably rejected by the authorities concerned.

Under these circumstances, we respectfully venture to submit that the present complaint is simply frivolous and vexatious.

As His Holiness Śrī-Yatirāja Swami is anxious to reach Melkote in time to witness the Utsavam, we most respectfully pray that the order suspending the honours, may be cancelled at an early date.

Honoured Sir,

In continuation of my letter dated 4th April'14, I most respectfully beg to bring the following further facts to your kind notice for favourable orders :—

1. The great Reformer Sri Ramanujacharya established Matts at Tirupati, Srirangam and other places to the end that Melkote, to hold the office of [illegible] and to receive the special honours attaching thereto; and the Sri Vaishnavas of these days enjoy the special privileges appertaining to the Head Founder

2. On the [illegible] in order to be issued by the late Chief Commissioner, Mysore, [illegible] Melkote [illegible] he can it is recorded that the Head [illegible] for Ram anuja's time; temple should daily do some service at the Yatiraja-matt and after [illegible]

Sri Ramanujacharya the previous day to the Swami of the Matt. It is also evident from this document that any Acharya-purusha is entitled to have the temple honours (Sri Sathagopam &c) shown to him on payment of a certain sum as fixed therein

3. His Highness the late Sri Krishna Raja Wodayar Bahadur expressly mentions in his 'Nirupas' that he always regarded the two sects of the Sri Vaishnavas (Tenkalais & Vadagalais) as his two eyes and would not allow the rights of the Tenkalais to be over-ridden

4 The present Swami of Sri Yatiraja Matt returned from North India at the suggestion of the Muzrai secretary, as Conveyed in his letter no d.
The Government of His Highness the Maharaja of Mysore having been graciously pleased to show him certain honours in Bangalore &c, have suddenly withheld them so as to prevent him from reaching his Head Quarters. Any ordinary individual under such circumstances would feel utterly disgraced. The feeling of the Swami, who has the prestige of a Matt' founded by the great

Sri Ramanujacharya Swamitaru, can be better imagined than described

5. The Swami goes to Melkote not as a Casual visitor, but, as a permanent resident, to his Seat. The disciples of the Matt look upon His Holiness the Maharaja of Mysore, as the protector of their rights & privileges, to come to an equitable settlement of the question.

TO H. H. THE MAHARAJA OF MYSORE.

To

His Highness Sri Krishnarāja Udaiyār Bahadur,

Mahārāja of Mysore,

Mysore.

May it please Your Highness:

We the disciples and supporters of the Yatirajamutt at Melkote, now residing at Madras, beg to submit the following prayer to Your Highness with the strong hope and belief that it will receive favourable consideration at Your Highness's hands.

2. It was with feelings of extreme joy and deep gratitude that we learnt some-time ago, that Your Highness's benign Government had been pleased to bestow on His Holiness Sri-Yadugiri-Yatirājaswāmi of Melkote such honours as the State in its discretion confers grnerally on well-known Maṭhādhipatis. We now regret to hear that the orders passed in respect thereof by Your Highness's Government have been held in suspense and are again pending final decision.

3. It is unnecessary for us to say here that the Yatirājamutt of Melkote is a very ancient institution, its origin being directly traceable to Sri-Rāmanuja, the great Viśishtadvaita philosopher and Sri-Vaishnava reformer of the early part of the 12th century of the Christian era. It is known historically that, when, after having established Śrī-Vaishnavism on a firm footing at Melkote and other places in the various parts of what is now the State of Mysore, he left in his old age for Srirangam in the Trichinopoly District of the Madras Presidency, he appointed a Sannyāsin to be his successor at Melkote to look after the religious affairs of the now famous Vishnu-temple there. So arose the Yatirājamutt at Melkote, and the Sannyāsin-heads of that Mutt have all thus been in a position to trace their apostolic descent from the great Śrī-Rāmānuja himself. Temporarily the Mutt has had to lose some ground owing to varoius causes; but on that account it is not held the less in honour. It is indeed held in high esteem by all classes of knowing Śrī-Vaishnavas. Your Highness will permit us to say in this connection that, among the disciples of this Mutt, there are some highly educated and enlightened persons holding responsible positions in Your Highness's Government as well as elsewhere.

4. We therefore pray that Your Highness be graciously pleased to cancel the suspension of the originally issued orders and to grant to His Holiness of the Melkote Yatirājamutt the honours duly sanctioned before.

We beg to remain,
Your Highness's most obedient and loyal servants

To

The Secretary to the Government
of His Highness the Maharaja of Mysore,
MUZRAI DEPARTMENT,
BANGALORE.

SIR,

As directed in your notice No. 4740, dated the 16th April 1906, asking that the Matt's case should be stated in writing, I beg to submit the following facts and circumstances regarding the Sri Yatiraja Matt of Melkote.

Antiquity of the Matt and its Status.

1. The Matt was founded in the 12th century by Sri Ramanujacharya, the great Vishnuite Apostle, soon after he restored the temple of Sri Narayanaswami at Melkote in the Serangapatam Taluq. The Matt is situated just opposite the temple, adjacent to the famous Badari tree, indicating that Sri Ramanujacharya built it *there*, to enable him and his successors to be in touch with the temple, as its sole management vested in them for several centuries. Sri Ramanujacharya caused the then Ruler Vishnu Vardhana Raya, who became his disciple, to endow the temple and the Matt liberally. He remained in the Matt for twelve years, and wrote a code of ceremonials called *Niyamanapadi* for the conduct of the daily worship in the temple, and entrusted the Management of the temple and of its property to his successors in regular succession. Several other endowments were made from time to time, all of which remained in the hands of the Swamis of the Matt, until the Muzrai Department of the State, during the reign of Chikkadevaraya Wodeyar, assumed charge of it; them and the honors of *Agra-tirtham* and other privileges enjoyed by Sri Ramanujacharya, continued to be shown to the successive Swamis of the Matt. The Matt was not then regarded as a separate Institution from the Temple, as is evidenced by the fact that the Matt is even now, in receipt of *tasdik* from the temple for daily *Bhikshe*. This was the only Sri Vaishnava Matt in the Mysore State up to the year 1810 or so, when the second Matt, *viz.* Sri Parakala Matt of Mysore came into existence (*Vide Appendix A.*)

Title of the Matt

2. This Matt has, ever since its establishment, borne the title of "*Sri Yatiraja Matt*," in honor of Sri Ramanujacharya, whose chief title was "Yatiraja," (King of Sages), and the Swamis of the Matt are styled *Yatiraja* Ramanuja Jeeyars even to this day, being alternately distinguished by the prefixes Narayana and Sampatkumara, names of the presiding deities of the Melkote temple.

Pre-eminence of the Matt.

3. The first Swami of the Matt being no other than Sri Ramanujacharya, the great Vishnuite Apostle, who is worshipped as the Acharya by all sections of Sri Vaishnavas, this Matt commands pre-eminence. During the Anniversary of Sri Ramanujacharya's birthday, the car procession of his image takes place regularly every year, at Melkote and

immediately after the close of the procession, the image is taken to the Sri Yatiraja Matt and all marks of respect are duly paid there to the image by both the Tenkalais and Vadagalais Furthermore, as laid down in the *ayakattu* of the temple, the worshipper of the above image in the temple, has to take *tirtha and prasâda* to the Yatiraja Matt daily, worship the *Mula Vigraha* there, and then serve *tirtha and prasada* to the Swami of the Matt These are some of the privileges enjoyed exclusively by the Sri Yatiraja Matt *(Vide Appendix B)*

Similar Matts elsewhere also command pre eminence

4 Sri Ramanujacharya established several other monasteries, the chief among which are the Matts at Tirupati, Srirangam and Sri perumbudur The Swamis of these Matts receive *Agra Tirtham* and other honors, as the representatives of Sri Ramanujacharya, and exercise authority over the temples of the respective places even to this day, as was the case with the Swamis of the Yatiraja Matt at Melkote for several centuries (*Vide Appendix F*)

Paraphernalia of the Matt

5 The usual paraphernalia of all Matts, such as *Sweta Chhattries Suryapanas, Chamaras Silver-maces, Makara toranams, palanquins*, &c, have been used by this Matt from time immemorial The Swamis of this Matt used an elephant, horses and palanquins during their tours in North India, in addition to the paraphernalia mentioned in the Rahadari of the year 1898

References are found in the Matt Account Books (herewith submitted), to the following paraphernalia —

(1) Elephant, horse, &c —Bk I—p 1 Bk III—pp 83, 84 267.

(2) Palanquin, Mena, &c —Bk 1— pp 4, 8, 13, 14, 17, Bk II—pp 21, 22, Bk III—pp 50, 83, 84, 149, 185.

(3) Chhatry, Chamara, Maces, Band, Music, &c —Bk I—p 4 Bk II—pp 22, 24, 42, 68, 72, 75, 100, Bk III—pp 90, 127, 128, 129, 130—3, 251, 252, 254, 267

The said paraphernalia are intended not only for the Swamis, but also for the deities of the Matt, *viz*—Narayana Swami, Sampatkumaraswami and Narasimha Swami, who are worshipped in the Matt, and are taken along with the Swamis during their tours *(Vide Appendix C)*

Former Swamis stationary

6 The former Swamis of the Matt remained stationary at Melkote dedicating their holy lives to the service of God in the temple at Melkote Hence no '*Sannad*' or *Nirup*' regarding the honors to be shown to the Swami while touring was obtained from the former Rulers, as was done by the Swamis of other Matts, who travelled about

Subsequent necessity for their moving out

7 As the disciples of the Matt increased in number in all parts of India, the Swamis of the Matt towards the latter part of the 19th century, were obliged to extend their religious instruction at the earnest request of the disciples and to move outside the Mysore State Branches of this Matt exist in several parts of North India, among which may be mentioned those at Rewah, Dwaraka, Ayodya, Muttra, and Cawnpore

Consequent necessity to apply for honors &c

8 In the year 1880, when the then Swami had to go urgently to Madras and other places an application was made to the Deputy Commissioner, Hassan District, for the usual Rahadari, but he replied that it should be obtained from the Mysore Government Accordingly, the

Government was applied to, who issued an endorsement, stating that the application should be made through the Deputy Commissioner. As it was inconvenient to wait till this was done, the Swami left for Madras without any Rahadari.

In the year 1898, another Swami who had to go to Rewah at the request of His Highness the Maharaja of that State, obtained the usual Rahadari from the Government of Her Highness the late Regent. In this the ordinary paraphernalia of the Matt, which the Swami then took with him, are enumerated. The Swami's disciples in the Civil and Military Station of Bangalore embraced the opportunity of the Swami's arrival at the City of Bangalore, to take him in procession to the Sri Ramaswami temple in the Civil and Military Station, with due honors. Accordingly, an application for honors was made to the Government of H. H. the Maharaja of Mysore; but before orders could be passed, the Swami had to leave Bangalore, as his presence at Rewah was urgently solicited.

The present Swami who has since succeeded to the Matt, stayed for some time in Rewah, Ayodhya and other places in North India. After consecrating at Ayodhya the deities of Sri Rama, Sita, &c., obtained through the Raja of Ramnad, he returned to this Province recently at the earnest request of his disciples in these parts, who were in need of *Samáśrayanam*, and also at the suggestion of the Muzrai Secretary in his letter No. 2226 dated 2nd February '04.

On the Swami's arrival at Bangalore, the people of the C. and M. Station, again wanted to take the Swami to their temple, with due honors. The application for honors was, consequently, renewed. Thereupon the Government of His Highness were pleased to sanction for the Swami, honors similar to those sanctioned for Sri Sivagangaswami, *viz.* 6 Silledars, a set of Bandsmen, and Rs. 50/- for one day's *Bhikshe*.

The Swami's enjoyment of sanctioned honors and their temporary suspension

9 On the 18th March 1906, the Muzrai Secretary personally presented Rs. 50/- to the Swami for *Bhikshe*, and then His Holiness was taken in procession to the Sri Ramaswami temple in the C. & M. Station, through the Roads and Streets in Mallesvaram, High Ground, and the C and M. Station, with the Matt's Deities and paraphernalia, and under the sanctioned Military Escort, and Band, and Police Escort. His Holiness remained in the C. and M. Station for three days, and on the 22nd March 1906, left for Melkote. On his way, he was similarly taken in procession with due honors, and under Military Escort and Band through the C. and M. Station and the City of Bangalore, as far as the City Municipal Boundary on the Mysore High Road, where the Military Escort and Band and City Police were relieved by the rural Police.

At each stage of the journey, due honors from temples, &c. were shown to the Swami, as far as Mandya; and just as he was about to enter the town of Serangapatam, a copy of the Government Proceedings, directing that the order No. 3793--4 mis., dated 9th March 1906, be held in suspense until further orders, was handed to the Agent of the Matt. The Swami and his disciples all over India feel much pained at this unhappy incident which is highly prejudicial to the prestige of the Matt.

Unreasonableness of the complaint of the people of Sri Parakala matt

10. It would appear from the communication of the Assistant Commissioner, French Rocks, No. 341, dated the 28th March 1906, (already submitted), that the suspending order emanated on the complaint of the people of Sri Parakala Matt at Mysore. The people of Sri Parakalamatt have no ground for any complaint whatever. The

honors sanctioned for Sri Yatiraja Swami, do not in the least affect those enjoyed by Sri Parakalaswami, any more than they affect those of Sri Sringeriswami, Sri Ahobilaswami, Sri Vyasarayaswami, Sri Vanamamalai Swami, Sri Sivagangaswami, &c. It has been the habit of the people of Sri Parakalamatt to prefer similar complaints whenever there was an occasion to show honors to other matts or to respect the rights of others; but such complaints were, after enquiry, invariably rejected as groundless by the Authorities. A few instances are detailed below:—

(i) Nirups dated 19th October 1829 and 28th October 1829, rejecting the complaint of the people of Sri Parakala Matt regarding the honors of Sri Ahobilaswami.

(ii) Ashtagram Division Supdt. Col. Campbell's Order No. 62, dated 25th July 1870, to the Attikuppa Taluq Amildar, stating that the Sannad produced by the people of Sri Parakala Matt to disprove the rights of a certain section of the people of Melkote, has been found to be a forgery.

(iii) Hassan District Deputy Commissioners Order No. 1315, dated 3rd December 1871, rejecting their complaint regarding the honours of Sri Alahiyamanavala Swami of Conjeeveram.

(iv) Hassan District Muzrai No. 11 of 1874—5, finding that the claim of the Agent of Sri Parakalamatt at Melkote to have access to all official orders issued to the Melkote temple, is groundless; and pointing out that H. H. the late Maharaja Krishnaraja Wodeyar Bahadur has, in his Nirup dated 19th October 1829, ordered that the entire management of the temple should be in the hands of Government, as interference on the part of the Parakalamatt will lead to much dispute.

(v) Bangalore District Deputy Commissioner's No. 173, dated 27th June 1888, finding that the complaint of the people of Sri Parakalamatt against the sectarian mark used in the Srinivasa Mandiram Temple at Balépett, Bangalore City, is groundless.

(vi) Mysore District Criminal Mis. Case No. 27, dated 24th May 1890, relating to the disturbance caused by the people of the Parakalamatt when Sri Vanamamalai Swami visited Melkote.

(vii) French Rocks Sub-Division Officer's No. 376, dated 26th July 1890 to the Deputy Commissioner of the Mysore District reporting that the complaint of Sri Parakalamatt against the sectarian mark on the forehead of Sri Ramanujachariar's image in the Melkote temple, is groundless.

(viii) Government Muzrai C 42—5, dated 15th March 1895 rejecting the complaint of the people of the Parakalamatt against the temple honors of local Acharyapurushas.

It is a well known fact that the original Swamis of the Parakalamatt, (who made no distinction between the two sects of the Sri Vaishnavas, and in whose times Tenkalai Vidwans, such as, Annangacharya and Anandalwar, flourished as the Pandits of the Parakalamatt), paid due respects to the Swamis of the Yatiraja Matt. And furthermore, in view to harmonise the Tenkalais and Vadagalais, the Swamis of Sri Parakalamatt even advised His Highness the late Maharaja Sri Krishnaraja

Wodeyar Bahadur to issue his Nirup dated 15th January 1830, laying down that the Acharyas of both the sects should be honored equally without any invidious distinction. It will be seen from this how *considerate* and *anxious* His Highness was in promoting amity and harmony between the two sects.

Honors conferred by the state on various Matts.

11. The Maharajas of Mysore have, from time to time, bestowed honors, &c., on several Matts both inside and outside the State. The Parakalamatt is itself indebted to the late Maharaja Krishnaraja Wodeyar Bahadur for the honors, &c. it now enjoys; and it cannot therefore claim an *exclusive* right to them. This is evident from the fact that *recently* the Mysore Government, have sanctioned certain honors for the Sri Sivagange, Majjigehalli, Akshobhyatirtha, and other Matts. Under such circumstances it is respectfully submitted that no objection can stand against the Government according similar treatment to the Yatiraja Matt.

What honors the Matt is entitled to

12. The Matts founded by Sri Ramanujacharya at Srirangam, Tirupati and Sri Perumbudur, enjoy first class honors *even now*. These three Matts are outside the Mysore State. The Ahobila Matt, the Vanamamalai Matt and the Mysore Parakalamatt, which were founded several centuries after Sri Ramanujacharya's time, by his followers, enjoy first class honors in the Mysore State. *A fortiori*, the Yatirajamatt at Melkote, which is *the only one founded by Sri Ramanujacharya in the Mysore State*, is, it is submitted, entitled to all honors, befitting the *status* and *greatness* of its Founder.

Honors and other distinctions enjoyed by the Matt.

13. The Swamis of Sri Yatiraja Matt enjoy distinctive honors *outside* the Province, as per particulars given below :—

(1) In January 1881, the Swami was shown first class honors in the temple at Tirupati, similar to those shown to the Vanamamalai, Ahobila and Sringeri Swami.

(2) In 1885, His Highness the Maharaja of Vizianagaram received the Swami under his own Escort and Royal Insignia, and presented him with an elephant, Rs. 1,000 in cash, shawls, and gold mohars.

(3) In the temple of Sreekurmam, first class honors were shown in 1885. One of the swamis having died at Sreekurmam, His Highness the Maharaja of Vizianagaram had a *brindàvanam* erected for the Swami and maintains a permanent establishment, for the conduct of the daily *puja* to it.

(4) At Puri Jagannath, the Swami was allowed, as a special mark of honor, to proceed with all his paraphernalia in front of the temple. First class *prasàdam* was served from the temple, as is done in the case of other great Matts.

(5) At Rewah, His Highness the Maharaja received the Swami under the Palace Escort and Insignia and presented Rs. 1,000 and valuable shawls. A Branch of this Matt is being maintained by His Highness the Maharaja of Rewah at Gobindagarh near Rewah.

(6) At Hyderabad, His Highness the Nizam presented the Swami with Rs. 500 and costly shawls. The late Sir Salar Jang Bahadur and other Sirdars presented Rs. 300 and Rs. 100 respectively along with shawls.

(7) The Maharaja of Bobbili presented a horse, shawls, &c.

(8) Due honors were shown at Sri Parthasarathi Swami temple at Triplicane, Madras; and the Swami was taken in procession through the town with all his paraphernalia.

(9) At Tehari, Nuzvid, Vanaprati, Gharwhal, Pithapore and other Samsthanams also, due honors were shown.

(10) At Nellore, first class honors were shown in Sri Gopala Krishnaswami temple; and the temple *Agra-tirtham* is served daily to an agent of this Matt

(11) In the Civil and Military Station at Bangalore, first class honors were shown in the Ramaswami temple, where also *Agra-tirtham* is served to an agent of the Matt daily.

(12) Rahadari granted by the Nizam's Government No. 469, dated 21st mahe' ilahi, 1298 Fasli.

(13) Rahadari from the Magistrate of the Chanda District, dated 3rd November, 1887.

(14) Letter from the World's Congress Auxiliary, informing His Holiness of his appointment as a Member of the Advisory Council of Religious Congresses, dated 31st March 1893, from Chicago.

Some of the honors and privileges pertaining to the Matt within the Mysore State, are detailed below:—

(1) *Agra-tirtham and prasadam* in the Melkote temple were enjoyed by the Matt for several centuries *(vide* para 1 *supra)*

It is also the privilege of this Matt to receive the following temple honors:—

Nadachapra, silver utensil, chamaras, kuncha, beesanige, suryapanas, chhattries, &c., (*vide* extracts from Shaha-book, 1840—1)

(2) The Matt is ranked as the *fourth* in the list of Matts receiving honors in the Serangapatam Temple. (*vide* list prepared on 4th February 1850).

(3) It is the *exclusive privilege* of the Swami of the Matt to be served in the Matt itself with *tirtha and prasàdam* daily, by the Archak of Sri Ramanujacharya's *Sannidhi* (*vide:* Ayakattupatti of the Melkote Temple of 1852.)

(4) The Matt enjoys the *exclusive privilege* of an allowance from the Temple Tasdik (*vide*:—para 1 *supra*).

(5) In January 1891, His Highness the late Maharaja Chamarajendra Wodeyar Bahadur was graciously pleased to visit this Matt, while at Melkote, and to receive *Benedictions* and *Khillats* from the Swami of the Matt.

(6) On the occasions of the Marriage and Installation Ceremonies of His Highness the present Maharaja Krishnaraja Wodeyar Bahadur, Khillats, Benedictions, and Sreemukhams were received and paraded with due honors.

(7) Rahadari granted in 1898 by the Government of Her Highness the late Regent.

(8) Honors sanctioned in Government Proceedings Muz. No. 3793-4, dated 9th March 1906, and Muzrai Kannada Order No. 4113, dated 22nd March 1906.

(9) The Ruler Raja Wodeyar and his two successors were the disciples of this Matt.

(10) The Matt receives *special* Lagna Patrika from the Palace on all ceremonial occasions.

(11) On the anniversary of Sri Ramanujachariar's birthday, his image is taken to Sri Yatiraja Matt immediately after the close of the car procession, and all marks of respect are duly paid *there* by both Tengales and Vadagales.

Property of Sri Yatiraja Matt

14. The Matt was endowed liberally by the Hoysala Ruler Vishnu Vardhana Raya, along with the Melkote temple, in the 12th Century. Further endowments in the shape of *Villages*, &c., were made in the 15th Century during the reign of Immadi Praudha Raya. These endowments continued in the possession of the Matt till the time of Tippu Sultan, when they were confiscated.

The Matt now owns Rs. 20,000 in cash, which is in the custody of the Trustees of the Matt, who have deposited the same with Messrs. Arbuthnott & Co., Madras. It is also in receipt of a monthly allowance of Rs. 15-1-0 from the temple at Melkote, and Rs. 9 from the Palace. The extra expenditure incurred on

extraordinary occasions, such as, the Vairamudi Utsavam and Sri Ramanujacharya's Anniversary, for *nivedana* and *samaradhana*, is met from the offerings or *kanikes* received from the disciples of the Matt in various places.

The Matt buildings at Melkote valued roughly at Rs. 15,000, besides the Branch Matts in several places in North India, form part of the property of the Matt.

Conclusion and Prayer.

15. The foregoing facts and circumstances go to prove that Sri Yatiraja Matt of Melkote is

(1) the oldest Sri Vaishnava Matt in the State;

(2) that it commands pre-eminence;

(3) that it has been enjoying from time immemorial the paraphernalia usual to all Matts;

(4) that it is entitled to all honors befitting the *status* and *greatness* of its Founder Sri Ramanujacharya;

(5) that it enjoys *distinctive* honors outside the Mysore State;

(6) that it enjoyed *exclusive privileges* in the State, some of which continue even to this day;

(7) that it once owned valuable villages and other landed property;

(8) that it owns now valuable buildings and Rupees Twenty Thousand in cash, and

(9) that it has influential and extensive disciples throughout India.

It is a well known fact that in these days of western civilization and enlightenment, the humblest individual of the lowest grade in society has an undisputed right to possess and parade any kind of paraphernalia in the public streets on ceremonial occasions, such as marriage processions, &c., provided there is no infringement of the Statutary Law; in support of which may be mentioned a number of Decisions of the High Courts of Judicature in British India, as well as the decisions of our own Chief Court—3 Mysore L. R. 107, 4 Mysore L. R. 27, 5 Mysore L. R 267

In the face of the above, it is inconceivable how the people of Sri Parkâla Matt could dispute the timehonoured rights of Sri Yatiraja Matt, founded by Sri Ramanujacharya.

It is respectfully solicited that in consideration of the above, the Government of His Highness the Maharaja of Mysore may be pleased to sanction for Sri Yatiraja Matt such honors as may be commensurate with the *status* of the Matt.

I beg to remain,
Sir,
Your most obedient servant,

Dated 25th June 1906

Agent,
Sri Yatiraja Matt,
Melkote.

Memo

His Holiness Sree Parakala Swamy has come to understand that on certain one-sided representations made by the Agent of Sri Yathi Raja Swamy who is now at Bangalore, the Government in the Muzarai Department has been pleased to sanction to him for the first time in this month an escort of Silledars and a set of Bandsmen, permitting him to use these honours only during his marches in Bangalore.

The Order in question is prejudicial to the interests of Sree Parakala Swamy inasmuch as Sri Yathi Raja Swamy taking advantage of the said Government proceedings will certainly compete with the former in every honour or Mariyada due to him.

The statement that Sivathas Chattra and other marks of respect have already been granted to him is unfounded inasmuch as there are no records to verify the same. Evidently, the Government appears to have sanctioned these honours on certain misrepresentations made by his agent and others interested in him without perusing the previous records which go to show that he is not entitled to these privileges.

Sreeyatha Rajaswamy referred to above is a minor Sanyasi without any permanent mutt and without any Jaghir or allowance from Government. For several years past, he is residing in Melkote in a Mantapam belonging to Government and is getting a small Stipend of Rs 12-1 from the temple funds. He does not further keep any Equipments and enjoy any special privileges

Such marks of respect as Sivathas Chatra (white umbrella), Chamaras, Silver Mace, Sovepa has the never not at all been granted to him at any time and he was not even using them while came either in Melkote or in any other place. He is not allowed to go to Melkote Temple with these indignias

insignias or Pass before His Holiness Sree Parakala Swamy whenever he goes to Melkote. For Sree Yathi Raja Swamy to use these insignias is unprecedented and Contrary to Mamool. Some minor marks of honour due to this Swamy are detailed in the Agrakaloo Patty preserved in the Melkote Temple, and according to this he is being treated.

In Short, he cannot use and assume any new honours and Special privileges and these are granted only to the 6 recognized institutions named hereunder;

I Sree Parakala Swamy
II Sree Ahobala Swamy
III Sri Voothara di Swamy
IV Sree Sollé Swamy
V Sree Manchalay Swamy
VI Sree Yola dri Mutt.

His Holiness has Come to understand that at the instance of Certain mischievous persons and encouraged by them, Sree Yathi Raja Swamy aforesaid is now trying to Come to Melkote using the above Specimen insignias

insignias, viz, Swethas Chatra, Chamaras,
Surchanas and Silver Masses named
above Contrary to Mamool and go to
the Temple with the Same. If he does so it is
apprehended that a great disturbance will be
Created at Melkote, for he will not only be abusing
the long Established temple Customs but will also
be insulting his Holiness Sree Narakala Swamy and
wounding the feelings of the Majority of Brahmins there.

When in 1866, a Thenkalai Brahmin Guru
of the Stamp of Sree Yathi Raja Swamy attempted
to make use of unauthorized insignia in Melkote,
His Holiness Sree Narakala Swamy happened to be
there and a great affray took place. Then the
Government at the desire of His Highness the Maharaj
issued Orders to fine him should anything Gyrma
mool takes place, (vide Copies of the Orders herewith
submitted).

Further, it has been decided in 1881 that
the Sree Yathi Raja Swamy is not entitled to
any other privileges except those mentioned in the
Agalkalai Paltu of 1857, and that the Application of the
Agent of Sree Yathi Raja Swamy has been rejected
(vide Mysore Deputy Commissioner's Report to the Government
No. 141 of 26-5-1881).

If Sree Yatti Rajaswamy goes to Melkote and visits the temple there with Swetha Chatra, Soorapana, Silver Mace, Chamaras and other insignia which he is not entitled to from time immemorial, he will be insulting Sree Parakala Swamy, wounding the feelings of the majority of the Brahmins there, and a disturbance calculated to create a breach of peace is apprehended.

Under these Circumstances, it is respectfully requested that such orders may be passed directing that only the ordinary customary marks of respect mentioned in the Instrument may be shown to Sree Yatti Rajaswamy and that he may not assume and parade himself with the objectionable honours and insignia above indicated.

By order

Order thereon :—

The facts of the case are as follows :—

OH 577-90 & 20.4.1908

The Sri Yetirajaswami matt is the chief matt of the Tengale Srivaishnava Brahmins of Mysore, with head quarters at Melkote, French Rocks Sub-Taluk It enjoys an annual cash grant of Rs 144-12-0 from the Melkote temple, besides a monthly allowance of Rs 9 from the Palace.

2 In 1898, the Agent of the ~~Sair Department~~ Matt having applied for the grant of a Rahadari ~~passport~~ to enable the Swamiji to proceed to Northern India, the Govt, ~~without~~ ~~requiring from them~~, (Con.)

a Rahadari permitting the
Swamigalu to pass unmolested
in Mysore Territory with two
Sweta chatties, two Chamaras,
two silver maces, two Sooryapanas &c.
Immediately after the issue of
this Rahadari, ~~[illegible]~~, the Swamigalu
~~[illegible]~~ left the Mysore Territory
on his pilgrimage to Northern India.
These insignia were used by the
Swamigalu ~~[illegible]~~
& at Kolar on his way back
from Northern India early in 1906.

3 On an application from
the Agent of the said Matt in
December 1905, ~~[illegible]~~ the Govt
in their Pro: No. 3793-4, dated
14th March 1906, read above, sanctioned
an escort of 6 silledars and a
set of bandsmen, to be used
by the Swamigalu ~~[illegible]~~ during

ceremonial marches in Bangalore
These honors were shown to the
Swamigalu in March 1906, on
the occasions of his arrival in
Bangalore, his proceeding to the Cth
station, and his subsequent de
parture from Bangalore. A
sum of Rs 50/- was in the same
order, also directed to be given
to the Swamigalu for his first
day's Bhiksha in Bangalore.

4 The Agent of the
Matt having intimated the
Swamigalu's intended return
to Melkote, which is the head
quarters of the matt, at the end
of march of that year, the Deputy
Commissioner of the Mysore Dt
was requested to issue necessary
instructions to the Amildars
of the Talukas in his District,
through which the Swamigalu

had to
~~passed~~ to give him the needful
help and also to issue orders
to the temple authorities at
Melkote to show him the usual
honors in strict accordance with the
mamool on the occasions of
his arrival at Melkote and of
his visit to the temples there
The Deputy Commissioner of the
Bangalore District was requested
to issue necessary orders to the
Amildars of the Talukas in his
District through which the
Swamigal proposed to pass

5. On the 24th March 1906
the Agent of the Sri Parakalaswami Math,
~~at Bangalore~~, telegraphed
complaining that the
Swamigal of the Sri Yetiraja Math
was attempting to enter Melkote
with certain objectionable honors
contrary to mamool. The Govt,

thereupon ordered that their
order of the 9th March 1906,
conferring certain honors to
the latter matt be held in
abeyance until the matter
had been fully examined and
disposed of. The Agents of the
contending Matts were at the
same time informed by means of
notices that the case would
be taken up finally, and
they were called upon to produce
such evidence as might be
available in support of their
respective contentions

6 The Sri Yeturaja Matt
presented petitions, urging
the grounds on which they
based its claims to the
honors in question and
also produced several
documents the chief of them

were
~~[illegible]~~ (1) the original Sanad
granted by maharaja Kanteerava
Narasaraja Wodayar in the year
Vijaya, in which it is said that
the Sri Yetiraja matt was
established by Sri Ramanujacharya
himself and that the matt
was in sole charge of the Sri
Narayanaswami temple at
Melkote, receiving Agramanyades
or first honors therein, and managing
all the inam lands &c endowed
to the temple and that instructions
of that matt should be obtained
in all matters connected with
the temple It is also mentioned
that when the Sri Yetiraja Swamiga he
goes to Melkote, the Sri Satagopa
from the temple should be taken
to the bottom of the Hill and
when other Swamies visit Melk a

the Satagopa should be taken only up to the Balipeeta in front of the Sopuram Bagal or main entrance to the temple; (2) the ~~other document is the~~ original sanad granted by H H the late Maharaja Krishna Raja Wodeir Bahadur III, in 1831, in which it is directed that when the Sri Parakala swami visits the Melkote temple personally, the first honors should be shown to him and next to the Sri Yetiraja swami and that the latter should receive the first honors during the former's absence - and not his Agrit. (3) Copies ~~of the~~ have been submitted of inscriptions on the walls of the Melkote temple which are dated Sa Kha 46, corresponding

were presiding Swamiga lu of the Sri
rangapatriaja matt is stated to be
Naras Vedanta Ramanuja Jeeyar and
Vijaya certain grants are said to have
the subsen made in those days to that
esta matt by the then Ruler Sadasiva Roya
lu of Vijianagaram.

The Agent of the Sri Parakalaswami matt has submitted

now by the Sri Parakala matt natha

or to the grant of an escort of 6 silledars
all and a set of bandsmen to the
to the Sri Yatiraja swami, as these honors

thereon
the further stated that the Swamigalu

foe allowed to go to melkote temple,
for with such marks of respect, such
to as Sweta chatri, Chamaras,

margin and that that Matt

on the present case.

8 Upon a careful perusal of the evidence adduced by the contending parties, the Govt observe that the Sri Yetiraja Swami Matt is the only matt established in the Mysore state by that great Visistadwaita Saint and Reformer, Sri Ramanujacharya, to whom both the Tengale and Vadagale sects of the Srivaishnava community pay homage This matt had originally the entire management of the temple at Melkote and of all its endowments, and had also lands and other endowments for its own support granted by the former Rulers of Mysore It appears to have lost its influence on the advent of the Sri Parakalaswami matt in the earlier part of the 19th century and to have remained in the background ever since. As the Swamies of the matt simply confined themselves

to their religious occupations and did not go out on tour, they had no opportunities of obtaining Rahadaries for travelling purposes. Some of the documents produced by the Matt show that the Matt had at one time a large establishment and retinue including an elephant and horses- such as Thantra, Trimuka, Satagha special honors and privileges, were shown to the Swamies of this Matt from the temple, such as Thantra and these honors which are enumerated in the Ayaka thupatti and other records of [illegible] are shown to the Swamiji of the Matt even at the present day. [illegible] The fact that the Sri Jetura [illegible] Swami Matt ruling is of a total right of [illegible] in close proximity to the [illegible] and the [illegible]

obtains of the Archak of the Sri Ramanujacharya's
munidhi in the temple going every
day to the Sri Yetiraja Swami matt and
offering flowers for lands &c to the idol
of Sri Yetiraja Swami and then to the Guru
of the matt if in station, and also
the fact that the matt was being
given a daily allowance from the
temple for its support, which allowance
was in recent years been converted
into a cash allce, all go to show
the esteem in which the matt has
been held for a long time past. The
honors due from the temple to the
matt being thus undoubted and un-
opposed, the only question is now
is what honors should be allowed
it while the Swami travels out.
As shown above, the matt has no
Rahadars of old date It applied
to the Deputy Commissioner, Hassan,
in 1880 for a Rahadari, but before
final orders were obtained on

the application, the Swamigalu went away to northern India Again in 1898, it applied to the Govt for a similar document, and a Rahadari was given, very few paraphernalia and those of a very ordinary description were granted by that Rahadari and the Swamigalu was using them until prohibited temporarily in the 28th march 1906, pending the question regarding the settlement of the honors due.

10. Considering all the circumstances detailed above, and chiefly the antiquity of the matt, the Govt are pleased to direct that the paraphernalia allowed in the Rahadari of 1898 be now confirmed to this ancient matt of Sri Yatiraja Swamy together with the use of a Palki under the

No. 4577-90—Muz. F. 3 of 1902, DATED BANGALORE, 20th APRIL 1908

ORDER THEREON.—The facts of the case are as follows :—

The Sri Yetirajaswami Matt is the chief Matt of the Tengale Srivaishnava Brahmins of Mysore, with head-quarters at Melkote, French Rocks Sub-Taluk. It enjoys an annual cash grant of Rs. 144-12-0 from the Melkote temple besides a monthly allowance of Rs. 9 from the Palace.

2. In 1898, the Agent of the Matt having applied for the grant of a Rahadari to enable the Swamigalu to proceed to Northern India, the Government issued a Rahadari permitting the Swamigalu to pass unmolested in Mysore Territory with two Swetachatris, two Chamaras, two silver maces, and two Suryapanas. Immediately after the issue of this Rahadari, the Swamigalu left the Mysore Territory on his pilgrimage to Northern India. These insignia were used by the Swamigalu at Kolar on his way back from Northern India early in 1906.

3. On an application from the Agent of the said Matt in December 1905, the Government in their Proceedings No. 3793-4, dated 9th March 1906, read above, sanctioned an escort of six Silledars and a set of bandsmen, to be used by the Swamigalu during ceremonial marches in Bangalore. These honors were shown to the Swamigalu in March 1906, on the occasions of his proceeding to the Civil and Military Station and his subsequent departure from Bangalore. A sum of Rs. 50 was in the same order also directed to be given to the Swamigalu for his first day's Bhiksha in Bangalore.

4. The Agent of the Matt having intimated the Swamigalu's intended return to Melkote, which is the head-quarters of the Matt, at the end of March of that year, the Deputy Commissioner of the Mysore District was requested to issue needful instructions to the Amildars of the taluks in his District, through which the Swamigalu had to pass to give him the needful help and also to issue orders to the temple authorities at Melkote to show him the usual honors in strict accordance with mamool on the occasions of his arrival at Melkote and of his visit to the temples there. The Deputy Commissioner of the Bangalore District was also requested to issue necessary orders to the Amildars of the Taluks in his District through which the Swamigalu proposed to pass.

5. On the 24th March 1906, the Agent of the Sri Parakalaswami Matt telegraphed complaining that the Swamigalu of the Sri Yetiraja Matt was attempting to enter Melkote with certain objectionable honors contrary to mamool. The Government thereupon ordered that their order of the 9th March 1906, granting certain honors to the latter Matt, be held in abeyance until the matter had been fully examined and disposed of. The Agents of the contending Matts were at the same time informed by means of notices that the case would be taken up finally and they were called upon to produce such evidence as might be available in support of their respective contentions.

6. The Sri Yetirajaswami Matt presented petitions urging the grounds on which it based its claims to the honors in question and also produced several documents. The chief of them were (1) the original sannad granted by Maharaja Kanteerava Narasaraja Wodeyar in the year Vijaya, in which it is said that the Sri Yetiraja Matt was established by Sri Ramanujacharya himself and that the Matt was in sole charge of the Sri Narayanaswami temple at Melkote, receiving *Agra maryades* or first honors therein, and managing all the inam lands, etc., endowed to the temple and that instructions of that Matt should be obtained in all matters connected with the temple. It is also mentioned that when the Sri Yetirajaswamigalu goes to Melkote, the Sri Satagopa from the temple should be taken to the bottom of the Hill and when other Swamis visit Melkote, the Satagopa should be taken only to the Balipeeta in front of the *gopura bagal* or main entrance to the temple; (2) the original sannad granted by His Highness the late Maharaja Krishnaraja Wodeyar Bahadur III, in 1831, in which it is directed that when the Sri Parakalaswami visits the Melkote temple personally, the first honors should be shown to him and next to the Sri Yetirajaswami and that the latter should receive the first honors during the former's absence and not his Agent's. (3) copies of inscriptions on the walls of the Melkote temple which are dated Sakha 1466, corresponding to 1542 A. D. in which the then presiding Swamigalu of the Sri Yetiraja Matt is stated to be Vedanta Ramanuja Jeeyar and certain grants are said to have been made in those days to that Matt by the then Ruler Sadasiva Raya of Vizianagaram.

7. The Agent of the Sri Parakalaswami Matt has submitted an English memo objecting to the grant of an escort of six Silledars and a set of bandsmen to the Sri Yetirajaswami, as these honors are prejudicial to the interests of the Sri Parakalaswami Matt. It is further stated therein that the Swamigalu of the Sri Yetiraja Matt is not allowed to go to Melkote temples with such marks of respect, such as Swetachatris, Chamaras, silver maces, Sooryapanas, etc., or pass before the Sri Parakalaswami whenever he goes to Melkote. The documents produced by the Sri Parakalaswami Matt show that the Sri Yetirajaswami Matt should be considered as a Matt next in importance to the six Matts noted in the margin, and that, that Matt is entitled to the honors detailed in the Ayakattupatti of the Melkote temple of the year 1851. The other documents produced relate to affrays between the Tengale and the Vadagale Srivaishnavas in the Melkote temple and have no bearing on the present case.

8. Upon a careful perusal of the evidence adduced by the contending parties, the Government observe that the Sri Yetirajaswami Matt is the only Matt established in the Mysore State by that great Visishtadwaita Saint and Reformer, Sri Ramanujacharya, to whom both the Tengale and Vadagale sects of the Sri Vaishnava community pay homage. This Matt had originally the entire management of the temple at Melkote and of all its endowments, and had also lands and other endowments for its own support granted by the former Rulers of Mysore. It appears to have lost its influence on the advent of the Sri Parakalaswami Matt in the earlier part of the 19th century and to have remained in the background ever since. As the Swamis of the Matt simply confined themselves to their religious occupations and did not go out on tour, they had no opportunities of obtaining Rahadaris for travelling purposes Some of the documents produced by the Matt show that the Matt had at one time a large establishment and retinue including an elephant and horses. Special honors and privileges such as Theertha, Tirumalai, Satagopa, etc., were shown to the Swamis of this Matt from the temple and these honors which are enumerated in the Ayakattupatti and other records of the temple are shown to the Swamigalu of the Matt even at the present day. The fact that the Sri Yetirajaswami Matt building is situated right opposite to and in close proximity to the temple and the [illegible] which even now obtains of the Archak of the Sri Ramanujacharya's S[illegible] in the temple going every day to the Sri Yetirajaswami Matt and offering fl[illegible]rds etc, to the idol of Sri Yetirajaswami and then to the Guru of the M[illegible]tion, and also the fact that the Matt was being given a daily n[illegible]owan[illegible]mple for its support, which allowance has in recent years been converted [illegible] allowance, all go to show the esteem in which the Matt has been held [illegible] the past

Muzrai, dated 20th April 1908.

9. The honors due from the temple to the Matt being thus undoubted and unopposed, the only question now is what honors should be allowed to it while the Swami travels out. As shown above the Matt has no Rahadaris of old date. It applied to the Deputy Commissioner, Hassan, in 1880 for a Rahadari, but before final orders were obtained on the application, the Swamigalu went away to Northern India. Again in 1898, it applied to the Government for a similar document, and a Rahadari was given. Very few paraphernalia and those of a very ordinary description were granted by that Rahadari and the Swamigalu was using them until prohibited temporarily on the 28th March 1906, pending the settlement of the question regarding the honors due.

10. Considering all the circumstances detailed above, and chiefly the antiquity of the Matt, the Government of His Highness the Maharaja are pleased to direct that the paraphernalia allowed in the * Rahadari of 1898 be now confirmed to this ancient Matt of Sri Yetirajaswami together with the use of a Palki and a Mena which are necessary adjuncts of processions and travelling paraphernalia. The grant of these honors will in no way detract from the high honors and privileges enjoyed by the Sri Parakalaswami Matt.

* Two Swetachatris.
Two Chamaras.
Two Silver maces.
Two Sooryapanas.

11. The next point for consideration relates to the escort of Silledars and the use of bandsmen from the Military Department on the occasion of the Sri Yetirajaswami's visit to Bangalore. The grant of an escort of Silledars is only of a comparatively recent origin and is not borne out by any old sannads or by mamool. The Government consider that such a military display in the case of the Sri Yetirajaswami is unnecessary and accordingly direct that it should be discontinued in future.

12. As regards the allowance for the first day's Bhiksha the Government are of opinion that such a courtesy should be shown to the Sri Yetirajaswamigalu, who is held in high veneration by a large section of His Highness' subjects, and they accordingly direct that the grant of Rs. 50 sanctioned in the Government Proceedings of the 9th March 1906, read above, for his first day's Bhiksha, be continued on his occasional visits to Bangalore.
